## Check out Advance's top performing sweepers and scrubbers

### Sweepers

Use a sweeper to clean up dust, debris, nails and more.

#### Terra 28B Walk-Behind Sweeper

For quick attention to small spaces – indoor and outdoor.

#### SW5500 Rider Sweeper

Clean up warehouses and parking lots – the SW5500 provides efficient sweeping with a small footprint.

#### SW8000 Rider Sweeper

Heavy duty cleaning for very large spaces, the SW8000 delivers the industry's highest dust-controlled productivity.

### Scrubbers

Choose a scrubber when you need to clean up spots, oil and dirt.

#### SC901 Walk-Behind Scrubber

Simple, powerful cleaning for medium to large spaces.

#### SC6000 Rider Scrubber

Scrub up to 88,000 sq. ft. per hour with this highly productive rider.

#### SC6500 Rider Scrubber

With the tightest aisle turn in its class and large, 70-gallon solution and recovery tanks to maximize scrubbing time, the SC6500 helps you get the job done faster.

### Combination Sweeper-Scrubber

If you have a large space that needs all of the above cleaned, the CS7010 sweeper-scrubber is the way to go.

#### CS7010 Rider Sweeper-Scrubber

Sweep and scrub large spaces simultaneously. The CS7010 works great in warehouses, manufacturing plants, stadiums, and parking lots.
